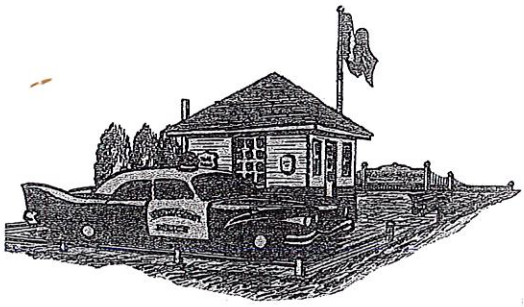
Join the Walk Through Police History!

Now is the perfect time to purchase a commemorative brick for you, a friend, a retiree or a loved one.
It also makes a perfect retirement gift.
Your brick will be permanently installed in the "Walk Through Police History" patio in front of Suffolk County Police Headquarters. Hundreds of others have already done this and their sentiments are now a part of Suffolk Police history. Each purchaser will receive an attractive certificate acknowledging their contribution and restating your brick's inscription.



Bricks can be ordered in two sizes. The first choice, 4x8 inches, offers three lines with space for fourteen characters on each line. The other, an 8x8 inch size, contains six lines, also allowing fourteen characters each.
